### About This Content

The Charlie Santa Heist is the first annual OVERKILL Xmas heist for PAYDAY 2 and lets players do a classic bank job - robbing the GO Bank, based on a map from Counterstrike: Global Offensive, in the outskirts of Washington D.C. This heist was a part of update 20 and is completely free for our players.

This heist is completely free for our players and also introduces a free weapon sight and - of course - a Santa mask for the community. Merry Xmas!

## Key Features

• **A new heist available for free** – The Charlie Santa heist is based on a popular map from Counterstrike: Global Offensive. It's a classic bank job; break the vault, empty the deposit boxes and get the loot out. Simple, no? If all hell breaks lose, Bain has a pretty creative plan to get the money from the scene. We're also told that this branch has the lowest hit-rate in the country. It's time to change that.

• **A free weapon modification** – The PAYDAY 2 community can enjoy a new gift from Gage the arms dealer. This time he gives the gang something for free because of the release of the weapon pack not so long ago. The weapon modification is a weapon sight which will come in handy when and if snipers appear.

• **A free Santa mask for anyone who joins the Official PAYDAY 2 group on Steam** – Wondered how it feels to rob a bank wearing a Santa mask? No need to – find out by joining the Official PAYDAY 2 group on Steam and get to robbing!

•**Nine new achievements to unlock** – Players will have nine all-new Xmas related achievements to unlock.

It's lit fam. How to successfully stealth this mission

- 1) ECM
- 2) Kill all cameras and guards
- 3) Pray that you got all the cameras
- 4) Kill all the civs
- 5) Pray that GenSec don't send officers for a check in
- 6) Kill all the civs that appear

So sneaky.. Nice DLC :). Thanks for killing what used to be a great game overkill... What we have

PAYDAY 2 - simulator DLC (pay for buy game, pay for play game, always pay for new DLC)

OVERPOTATO's The Walking Dead - (totally scum, all money spend to CGI movies, trailers, no to game, buy s\*\*\* game by price AAA game, get potato where need pay money for play game) i think he wanted create new simulator DLC, did not work out! Game closed & deleted from steam, consoles versions canceled.

Overkills\\Starbreezee - please don't come back to game industry. Happy defolt for your studio!. Hang on, this is free! Why can I make a review about it!?

Oh well, here's a generic pros and cons list

PROS

- Based on the CS:GO map "Bank"
- Charlie Santa is litterally CS, the map name is GO bank, CS:GO
- A fun, challenging heist
- The plane is very satisfying when it picks up your bundle of bags
- Christmas trees
- Presents with assets in them will have the tops fly open when you approach them
- Achievements are fun to accomplish, like Eco Round and All Eggs in one Basket

CONS

- Snipers can be annoying if you have a pack of not that accurate weapons
- SWATs on the neighboring buildings can catch you off guard
- That SWAT Turret
- 1% chance of the vault already being open is, in my opinion, too rare.. yeeeeeeeeeeeeeeees. Wait, I paid extra for the GOTY edition and they include free updates as part of the content I'm receiving? This is a complete scam, along with the other mountain of DLC (which WASN'T included in the GOTY edition) and microtransactions.
